Re: United States vs. Trifa 5-70924

Dear Mr. Lapham:

I appreciate very much the fine service that I received in our previous request to you.

STAT

The enclosed list of names are Germans who were affiliated with the SS forces in Romania and who were closely involved with the Romanian Iron Guard and with the Defendant Trifa. Could you give us any intelligence information you have on any of these individuals, particularly, their whereabouts. We are hopeful of being able to interview them to see if they would be willing to tell us the truth about Trifa's relationship with the Iron Guard and his responsibility for the rebellion and pogrom in January, 1941.

Thank you.

Sincerely,

Eugene M. Thirolf
Trial Attorney
Special Litigation Unit
